

## Employee Billboard

# An Employee collaboration board to empower and engage communication among your employees

A collaborative platform dedicated to your employees to allow shifts swap, voluntary time-off, or find a colleague to cover a shift.

## Empower your employees with a tool to manage schedule changes easily.

### Manage schedule changes

Allow your employees to find a replacement or swap their shift with a qualified employee.

### Optimize coverage requirements

Open quickly an open shift in your Employee Billboard and offer the shift to available employees.

### Voluntary Time Off (VTO)

Employee can sign-up to take unpaid time off without repercussions on the employment status.

### Rules-based selection

The Employee Billboard will sort requests and award schedules to the employees based on your policies.

### Tracking all requests

Managers can track all requests through notifications from the dashboard.

## Technical Specification

The Employee Billboard is compatible with Kronos Workforce Dimensions. The application is supported on Chrome, Firefox, Internet Explorer, Safari and Opera.
