A schedule built automatically and equally from your employees preferred choice

Create shift positions

Use or modify existing schedule templates to create positions and define the number of available openings. Bid on positions from anywhere Eligible employees can bid on

open shifts they're interested in

from anywhere via mobile or

desktop.

Auto-populate your schedule

Once a position has been assigned to an employee, it's uploaded in just a few clicks to your schedule planner

Rules-based selection

The shift bidding will sort bids and award schedules to the eligible candidate.

Audit tracking

You can always refer to your audit report and view the logs of the creation and edition of your bids.

Technical Specification

The Shift Bidding is compatible with Kronos Workforce Dimensions. The application is supported on Chrome, Firefox, Internet Explorer, Safari and Opera.
