A mobile ready app to bid on positions

Bid on open shifts from anywhere.

Eligible employees can bid on vacation periods from their mobile or their desktops. While managers can monitor the whole process from the bidding periods to the awarding.

Highlights

1		Employees can bid on vacation periods easily and quickly on their mobile.
2		Managers can efficiently award bids based on your organizational policies.
3		The platform is fully integrated with UKG Dimensions, providing a single user experience.
4	—	The Vacation Bidding is easy to configure, maintain, and provides strong security and data protection.

Bids awarding

Compliant with Organizational Rules and Union Regulations

Position awarding may be fully automated, semi-automated or manually approved. Updates are made to the UKG Dimensions[™] database instantly.
